

em green.

motion & graphic designer

Profile

Passionate, detail-orientated and organised. I enjoy pushing the quality of my work, experimenting with new technology, and cultivating a positive environment for junior members of the team. I bring a fresh perspective and strong creative direction to any project due to my background in Graphic Design.

Experience

Nifty Fox Creative • Feb 2024 - Present

Full time position as **Lead Animator**. Creative responsibilities include style development, storyboarding, animation, voiceover / sound design direction, briefing and directing freelance designers and animators, and developing animation pipelines and processes. Management responsibilities include creative direction and general management of junior motion designers, liaising and pitching to clients, and assisting in project planning.

Alive With Ideas • Jan 2023 - Feb 2024

Full time position as a **Midweight Motion Designer**. Responsibilities included designing, storyboarding, creative direction, animation, sound design, as well as leading and supporting junior designers.

Education

Nottingham Trent University • 2017 - 2020

BA (Hons) Graphic Design (First Class)

Achievements

Runner Up: Aardman Academy / New Designers Screening Award, 2020

Skills

Broad range of creative skills covering design, illustration, storyboarding and animation. Skilled in directing, managing and mentoring junior creatives. Strong use of Adobe Creative Suite and growing skills in Rive and Cinema 4D.

Impeccable time management and organisational skills to ensure the meeting of deadlines with high quality outcomes.

Tinmouse • Jan 2022 - Nov 2022

Full time position as a **Junior Animator and Designer**. Responsibilities included designing, storyboarding, creative direction, animation, sound design and liaising with clients.

CNS Media • April 2021 - Dec 2021
